

Dear Parent/Guardian:

The district's School Health Services program supports your student's academic success by promoting health in the school setting. One way that we provide care for your student is by performing the health screenings as mandated by the State of New York.

During this school year, the following screenings will be required or completed at school:

Vision

- Distance and near acuity for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7, and 11.
- Color perception screening for all newly entering students.

Hearing

- Hearing screening for all newly entering students and students in Pre-K or Kindergarten, Grades 1, 3, 5, 7, and 11.

Scoliosis

- Scoliosis (spinal curvature) screening for all girls in grades 5 and 7, and boys in grade 9.

A letter will be sent home if there are any findings on the screening done at school that would cause concern or need medical follow-up.
