

♥♥ It's School Board Recognition Week! ♥♥

Please join us in celebrating the dedicated members of the **Mechanicville City School District Board of Education!** ♥♥

Our School Board Members are more than leaders — they are **advocates, problem-solvers, and champions** for every student, teacher, and family in our community.

Their work often happens behind the scenes, but the impact is felt every day - in every classroom, hallway, and student success story, so **THANK YOU** for your service and commitment.

Mechanicville is stronger because of YOU!
