

Pre-K Supply List 2026-2027

- **Large** book bag (NO WHEELS PLEASE!)
- 3 boxes of 8-count crayons (Crayola is the best quality)
- 2 boxes of 24-count crayons (Crayola is the best quality)
- 1 pair of Fiskar brand scissors
- 2 double bottom-pocket folders
- 1 box of washable markers
- 2 dry erase markers, black or blue
- 2 glue sticks (Elmer's washable disappearing purple works best)
- 2 boxes of tissues
- 2 rolls of paper towels
- A full change of clothing for your child in a large zip lock bag clearly labeled with his/her name. (Please label all pieces of clothing. The clothes will come in handy for any accidents that may occur during the year. Clothing that is appropriate for every season works best.)

We look forward to working with you next school year.

The Fifth Grade Teachers

June 2026

Dear Parents/Guardians,

With the end of the school year quickly upon us, we know that you are making plans for your child's summer vacation activities. The summer months are a welcome opportunity for fun and relaxation, but the break from school activities often causes students to experience a lag in learning upon returning to school in the fall.

Research tells us children who do not read during the summer may lose a month or more of the reading progress they had made in school. Therefore, it is crucial to keep your children engaged in summer reading activities.

For summer reading, the 5th Grade students are asked to read **one book of their choice**. After reading the book, we ask that students write a **one paragraph summary** that will be collected on the first day of school.

In addition to reading during the summer, we are also asking that students practice their **math skills and facts**. Mastery of these facts is important in order to develop a solid math foundation. By working on multiplication facts you will be more prepared for fifth grade. We will administer our first "fact quiz" on Friday, September 11th. A few great websites to practice math are:

<https://www.roomrecess.com/mobile/FastFacts/play.html>

[Prodigy](#)

[iXL](#)

Children are precious gifts and the opportunity to inspire the love of reading and stress the importance of math in everyday life, is both a great honor and an extraordinary responsibility. With your help, we can make this goal a reality!

Sincerely,

Mrs. Billert

Mr. Chandler

Mrs. Mercier

Mrs. Reyes and Ms. Bobarakis
