

Mechanicville High School
Academic Re-eligibility Form

Any student who is failing two or more courses at the end of a 5-week or quarter marking period is placed on academic probation. In order for those students on academic probation to participate in and attend extracurricular activities, they need to show progress in their scheduled courses with a focus on those that they are failing, putting the effort in to raise all grades to a proficient level at the 5 week mark. Students are to present this form to ALL teachers of scheduled classes – teachers are to complete a section of the form below – then students are to return the completed form to the Athletic Office by Friday 12/9. If academic progress and class proficiency is not met, the student will continue to remain ineligible for participation in extra-curricular events.
