

The background is a vibrant red with a subtle radial pattern emanating from the center. At the top, two strings of colorful lights (yellow, green, and red) are draped across the frame. In the center top, there is a red circular decoration with a white pinwheel design, flanked by two red heart shapes. The main title 'GINGERBREAD HOUSE PARTY' is prominently displayed in the center. 'GINGERBREAD' and 'PARTY' are in large, bold, white sans-serif capital letters. 'HOUSE' is in a smaller, white sans-serif font, centered within a dark green rectangular box. At the bottom corners, there are two identical gingerbread houses. Each house is brown with white icing dots, a white window with a cross, a red door, and red-and-white striped candy canes for chimneys. The roofs are decorated with multi-colored sprinkles.
