

Register/sign up for sports with Family ID/ArbiterSports

All Mechanicville athletic sign-ups and registration are done online through FamilyID/ArbiterSports. FamilyID/ArbiterSports is a secure registration platform that provides an easy, user-friendly way to register for athletics.

Registration Requirements

- Sports Physical ~ All students must have a valid physical on file at the start of each sports season. A “valid physical” is defined as having been completed within one year of the month in which the sport starts.
- Health and Medical update
- Athletic Handbook Policies and Acknowledgement
- NYSPHSAA Concussion Information and Acknowledgement

Family ID gives you the option to upload your students physical directly to the website. The registration form covers all of the questions on the health interval form that is required by NY State to be cleared for sports.

NOTE: a paper copy of the health interval history (30 day update) form is no longer required!!

A Parent/guardian MUST register their child by going to the Mechanicville Family ID homepage.

https://students.arbitersports.com/organizations/search?query=Mechanicville&query_state=NY

When you register through FamilyID, the system keeps track of your information in your profile. You enter your information only once for each family member for multiple uses and programs.

Once you create an account they will send an activation email to the email used during your sign up. You must go to your email and follow the instructions in order to register.

If you're already registered on familyid:

Log into your account

Click on Mechanicville City CSD (in blue under drop down menu)

You will see the Sports Program listed

Everything should be saved there from your previous registration.

Please be sure to hit save at the end of every page.

You must click the submit button at the end or it will not go through!
