Message from the Board of Education

Mechanicville City School District Seeks Community Input for Superintendent Search

The Mechanicville City School District Board of Education (BOE) is beginning a search for a new Superintendent of Schools. As part of the search process, the BOE is conducting a survey to gather input from the Mechanicville school community about the characteristics the district should seek in a new superintendent. The information collected from the survey will be used by the BOE to develop a candidate profile. The BOE encourages all parents, staff, students, and community members to take advantage of these opportunities to be part of the superintendent search process.

The survey will be open until 4:00 PM on December 5, 2025. You can find the link to the survey on the school's website <https://www.mechanicville.org/>. You can also complete the survey by typing <https://www.surveymonkey.com/r/SupSearchMCSD> into your web browser, or by scanning the QR code below with your smartphone.

The BOE thanks you for your time and hopes you will take these opportunities to help shape the future of our school and our students.

Sincerely,

John Taglione

Board of Education President
